

# **DR. SALIM KHAN**

## **FOUNDER LITTLE INDIA FOUNDATION**

Dr. Salim Khan stands as a beacon of hope and transformation, weaving a remarkable narrative that transcends the boundaries of journalism and philanthropy. His journey began in the fast-paced world of CNN News, where he honed his skills as a distinguished journalist, bringing stories of resilience and courage to the forefront. He was the business head of fortune 500 companies, he had given up corporate life to serve for the society by their own means and support. He has started his first initiative “One Meal a Day “ campaign for 365 days. He was the First to start “Food Ambulance” in the country, Free unlimited nutritious meal on wheel was his another initiative.

Transitioning from the newsroom to the corporate sector, Dr. Khan held key positions in several multinational companies, where he leveraged his expertise in communication and strategic planning. His leadership roles allowed him to drive initiatives that fostered corporate social responsibility (CSR) and sustainable business practices.

He was instrumental in implementing programs that not only enhanced company reputations but also made a significant difference in the communities they served. His work in the corporate world has been recognized in major publications, including Forbes and Business Today, highlighting his innovative approaches to integrating philanthropy into business models.

Dr. salim Khan worked for the society for 8 years without registration and got registered Little India Foundation as Not for profit organisation in Nov 2020 under sec 8. His initiative dedicated to uplifting marginalised communities through hunger campaign, education, healthcare, and empowerment programs. Under his visionary leadership, the foundation has touched countless lives, fostering a spirit of inclusivity and progress. His innovative approach has not only addressed immediate needs but has also laid the groundwork for sustainable development, earning him recognition both nationally and internationally. The foundation has successfully launched various initiatives, including One Meal a day campaign for 365 days, Food Ambulance, scholarship programs for underprivileged children, health camps in rural areas, and vocational training workshops aimed at empowering women.

Dr. Khan's relentless pursuit of excellence is exemplified by his remarkable achievement as a world record holder for feeding more than 2 million meals in 2018 to underprivileged communities.

During COVID he has distributed free Oxygen Concentrator, Sanitary napkin, Face sheild, PPE kits, Food, Medicines etc. His dedication to creating positive change has inspired others to join the cause, amplifying the foundation's impact across various sectors. In 2020, his contributions to society were acknowledged with a nomination for the prestigious Padma Shri award, a testament to his unwavering commitment to philanthropy and community service.

His philanthropic efforts have been featured in top media outlets such as The Times of India, Hindustan Times, and The Economic Times, showcasing his influence and the transformative impact of his work. As a thought leader and advocate for social justice, Dr. Salim Khan continues to inspire future generations with his vision of a more equitable world.
